

3 EXAMINING SURGEON'S CERTIFICATE 3

IN THE CASE OF AN APPLICANT FOR INCREASE OF PENSION.

No. of Certificate, 94,464

State: Maryland County: Baltimore Post Office: Feb 2, 1881.

It is hereby certified That James J Harris formerly a private of Captain G Company, in the 39 Regiment of US Cavalry, in the war of 1861-5 who is now paid at Washington Agency at the rate of 4 dollars per month, on account, as he states, of Left Inguinal hernia

while in the line of duty in the military service of the United States, on or about the day of , 18 , at a place called Nevada Va in the State or Territory of Va is still suffering in consequence of said Left Inguinal Hernia

Here specify the particular disease or injury.

The disability originates entirely from the injury or disease on account of which he was originally pensioned, as follows:

Height, 6; weight, 145; complexion, BR age, 33; respiration, 17; pulse, 76

Here state fully and accurately the character of the pensioner's disability, and how he is at present affected thereby; also, state whether the disability is permanent in its present degree, and whether it has been in any degree caused or protracted by vicious habits.

Left Inguinal hernia! Not hernia but varicocele of left side; sack of medium size. complains of colic pains when standing any length of time

We find his disability, as described above, to be equal to, and entitling him to \$4.00

No increase

Examining Surgeon.

The Surgeon will forward his report of examination direct to the Pension Office whether the pensioner is thought to be entitled to increase or not.
