Address your reply to the COMMISSIONER OF PENSIONS with return of this letter.

Messrs

Sir;

In her declaration for pension above cited claimant alleges that the name of her child is "John Samuel Harris", while the certificate of birth shows that a child named "William Samuel" was born to the soldier and claimant.

This discrepancy should be explained, under oath, and the child's correct name shown by the party in error.

Very respectfully,

Wm. Lochorn  
Commissioner
