

Claim No. 388333 of John E. Green Co. 7 39 Regiment, U.S.A.

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My age is 63 years, I reside in Baltimore, Md., at No. 313 - S. Caroline Street,

I know the claimant John E. Green when he first came out of service. I know that he was then suffering from rheumatism, heart disease, diarrhoea & piles. I tried up different remedies that I thought would help him. I know that he has always complained of the same disabilities since that time. I know that since his return from the army he has been unfitted for manual labor fully to his time. He always lost time from his work but did work many times when he was not able. Since 1885 he has never done any hard work. I know that he has been ~~working~~ understood to be in the claimant's pay every opportunity for knowing these facts. I also know the soldier before he enlisted and know that he was a well man before his army service. This testimony was all written in my presence from my own oral statements that made up the office of A. P. Lloyd at 13-13 - Second Street in making same. I know not if he aided or prompted by any printed or written statement or recital.

I have no interest in this claim
