

and then maintain being about equal or
September the rejected me then I rejected again
under well then they reject me again and
when I had to go before doctor White again
the second time when I went back the second
time and showed him the papers that I was
rejected he said how in the heaven could that
be when he allowed me for every disability
that I had I received a card from Gen. B. Rum
Feb 15, 1892 that my claim was filed on April
the 15 he written to me that my claim was
on. completed file and also on Sept. 7th
he written me the same also sept. 24 he written
me the same about 4 months work ahead
you may when I went before the special examiner
last February that he did not find my penions
able disability about me attach I claim in
not so for they taken a measure and measured
that tumor growing in my groin and also
my systole and my sup an back and my
