Dear Sir -

This will inform you that this is the third letter I have written to you and have not received any answer. One year ago on the 18th of Oct 1899 I was examined before the board and I have never heard from the examination at all. And will you please to tell me whether or not are you going to settle my old claim of disability. Twenty years has already lapsed and what is the long delay. To whom under the doctor's treatment at present and
