Pension Claim No. 409898.

Name and rank of claimant.

B. B. Smith

Rank, Private

Claimant's post-office address.

Company F., 4<sup>th</sup> Reg't U.S.C.T. Baltimore Md.

1112 Laurel St. Balto. Md. March 14<sup>th</sup> 1890.

We hereby certify that in compliance with the requirements of the law we have carefully examined this applicant, who states that he is suffering from the following disability, incurred in the service, viz: Injury to shoulders and left hip.

Cause of disability.

If pensioner, fill in the amount; if not, erase the whole line.

and that he receives a pension of 0 dollars per month.

Here give the claimant's statement as briefly and as compactly as possible.

He makes the following statement upon which he bases his claim for Original Claims that on account of injury to shoulders and left hip the result of a fall he suffers constant pain in parts and is unable to perform manual labor.

Here give a full description of the disabilities, in accordance with pars. 5, 6, 51, 52, &c., of Book of Instructions for 1889

Upon examination we find the following objective conditions: Pulse rate, 90; respiration, 19; temperature, 98.6; height, 5 feet 8 inches; weight, 170 pounds; age, 49 years. General physical condition good. No scar or other external evidence of injury to shoulders. But there is slight crepitation in both with some pain on rotation. There is a tumor in left inguinal region - shaped like a cigar - 2 inches long, 1/2 inch wide - running from anterior inferior spinous process of ilium transversely across the groin. It is freely movable slightly sensitive. Probably fatty in character. Complaints of dull pain in the hip. No other disability.

Rate for EACH cause of disability.

He is, in our opinion, entitled to a 2/18 rating for the disability caused by Injury to shoulders 2/18 for that caused by Injury left hip and results for that caused by
