and I hope that you will please
give it a careful examination.
During the long Career in the Army
I received a great many injuries

at Ft. M. Gorda at Williams
Burg Virginia. there I received in-
juries in my back, left hip, and
left knee and my left Groin.

the next in front of Richmond at
Ft. Harrison carrying logs I was in-
jured in my right and left shoul-
der. And the exposure at Ft. Fisher
compelled me to go to the Hospital
at Ft. Fisher North Carolina. I
stayed there with my injuries about
three weeks I was marked compe-
tent and put on light duties about
the camp that was in 1865 long.
