Dear Sir

Will you please to
have my claim called up
as it has been in so long
for I am very much
in need I write to you
when you first received
your office but I thought
I would hold up until
you got more acquainted
with the business ^{as I received no answer} then
I would write to you again
My claim has been filed
every since June 27, 1880
I filed it then under
John B. Bruce he was the
first one and they turned
it down then I reopened it
under A. B. Webb
