Dear Sir,

Will you please inform me how long it will be before my claim will come to a settlement. For I filed my claim in 1886, long about June 27th and it never was acted upon until August 13th 1880. I filed my claim for a disability pension that I received in the line of duty. I only filed it because I was a total cripple when I was discharged out of the service and I still am a total cripple until today. I stated of my disabilities that I have the one mentioned getting better they are getting worse! for my
