

questions & my answers are correctly
recorded -
Josiah Cornish

Q How is it that if you contracted piles
in service & had them ever since
that you did not apply for pension
for piles at the time you first
applied for pension?

A Because I thought I would get
well of them.

I also have rheumatism but I have never yet
applied for that. I can't recollect now when
I contracted it but have had it for 20
or 25 years -
