

heard him complain of piles for the last ten years. I have seen Chas. every week since the war, no not so often sometimes I don't see him for 3 or 4 weeks at a time. For 10 yrs. he has had the piles and he has been all broken down - Have seen him when he was sitting uncomfortably. I have made former statement He might have had piles ever since '66 but I don't know. I believe he was complaining of them directly after he came out of the army for he was then complaining but only for the last ten years has he complained so much of the piles. I understand your questions & my answers are correctly recorded - W. H. A. G.
