DEPOSITION 7Case of Josiah Cornish, No. 174091

On this 22 day of October, 1895, at
Baltimore, County of City
 State of Md, before me, Thos. R. Hardwick a
 Special Examiner of the Pension Office, personally appeared Mary Ann
Cornish, who, being by me first duly sworn to answer
 truly all interrogatories propounded to her during this Special Examination of aforesaid
 pension claim, deposes and says: I am in my 49th year -

The wife of Josiah Cornish and I
wash & iron.

P.O. 150 Rogers Ave. This city.

I have been married to this clut.
here present for about 28 or 29 years
When I married him I didn't know
that what ailed him but soon after
I married him I found out that he
had the piles and that he suf-
fered with great misery in his chest
and left shoulder and back.
Yrs, Sir he was treated by doctors for
his piles.

Dr. Reels Jones was his first doctor. He is
dead. I am sure that Dr. Jones attended
him for misery in his stomach & bowels
& I judge that he attended him for piles
Yrs, Sir I am sure and positive that
he had the piles when I married
him and has had it ever since.
Dr. Cochran also dead attended him
I have helped Clut. attend to
himself and would use some
kind of a salve to put up his
piles. He has grown worse as
he grows older and for years
he hasn't been able to work
