come to his family and tell his
 wife that he has been sick in
 the hospital but he has
 return back to his Regt he
 gotten better and tell her that he
 receive a letter from her 2 weeks ago
 dated April 24. and she stated
 that she sent the things I sent
 for but I haven receive them
 yet that was the first letter
 I receive for 6 or 8 weeks and
 sent her \$70. Dollars to her.

and she never sent me word if she
 got it or not. it make me very
 uneasy Mother now at present
