letter i was glad to hear that you were
well i am well and do i wish my dear
you said that you were going about
your husband he is dead & i was not
a little surprised but had to think
that the reason was never said i was
at home i should be so sorry that
i should be ashamed to see on the
street but i thought god that i

as well as the world that had home
the letter is over and am living
yet i had letters they picked them
home now but i will and do i wish
and i can have the pleasure of
having the money for this world
something about the things that
i have seen but i had be
