Knowledge, true?"
 Answer "Yes, Sir, That is my signature to each of said affidavits, and the contents of each is in the main true and correct, I have now given the facts now in detail, His liver was affected."

2^d Q^y "Was the acute disease of which soldier died due to his physical condition, or from exposure of a recent date?"

Answer "Well, I suppose it was partly due to his reduced physical condition, and partly to a cold, no doubt of recent origin - might have been a fresh cold"

3^d Q^y "Then, is it your opinion or not, from your professional knowledge of soldiers, that the immediate cause of soldier's death was due to his military service?"

Answer "No, I don't think it was entirely due to the military service. It was due to his broken down condition when he left the Army the pre disposing cause - the acute disease being the active cause"

4th Q^y "Were David and John Chambers identical with John H. Chambers?"

Answer "So I knew him"

5th Q^y "Was he or not free from disease of lungs or liver when he enlisted in 1864?"

Answer "I can't say he was entirely free, I regarded him in good health - fair health. I had no positive knowledge of the existence of any permanent disease when he enlisted" and further declares that he has no interest, direct or indirect, in the claim of for a pension; and further saith not.
