

Mr. Baley those Papers you
sent me are all filled out
But the Undertaker and he
is sick in bed and cant
sign yet and that's what
is holding those Papers up.
Do I have to wait for him
to sign or should I send you
those Papers because I do
really need something for
nursing and taking care of
my grandfather because I
still haven't got a job and he
did not leave any thing so
Please answer me back soon
and see just if you can do just
a little some thing for me
Please Mr. Baley
