

from the Government services  
has ever employed a doctor  
for them Effects and as i  
grow in age they have ~~grow~~  
grown so that they hurt ~~at~~  
all times when i filed a claim  
for a pension under the old  
law there was the only  
subject that i named when  
i was examined before  
the board in Baltimore i  
was only examined for  
these two Effects and  
wasnt shown Justice  
according to pension law  
and didnt being from the govern-  
ment services Several other  
diseases has grown to me  
doctor Frank Mayer has  
tended me for that Vertigo  
four years ago and i am  
not able to pay a doctor to  
bill a blank for me
