

I'm troubled with my back this time of the Year more on account of bad weather the least cold I get falls in my back for it has become very weak in the laster years.

My foot this time in the Year it keeps tender and very soar it is very painfull some times it makes me lame My foot was cut in Brownsville, Texas from washing Wagons in the lake I stepped upon a piece of glass I cut my left foot it as effected me ever since.
