

related to the claimant or interest
in the success of his claim for
pension. I fully understand and
comprehend the questions asked me
and my answers have been correctly
recorded in this deposition
cross-examined by claimant

I saw the claimant at the time he was
leaving Camp Belser, this city to go to
Summerville, to join General Burnside
He was brought to the wharf in a wagon,
but I do not know why he was in
the wagon, whether sick or lame. He
suggested left here on a steamer
I then thought and still do that he
was sick at the time I saw him in
the wagon. There was a large crowd
of people at the wharf and I did
not talk with the claimant
