

Sometimes he has walked by the aid of a stick and bent forward, on account of the complaint of his back. He has been in this condition quite frequent but I could not say how often I signed affidavit dated 9/1<sup>st</sup> of January 1884 and bearing my signature I never worked with the claimant at handling freight on the wharf and that statement in my affidavit is not correct. I am not related to the claimant or interested in his claim for pension. I fully understand and comprehend the questions asked me and my answers have been correctly recorded.
