she has not since then remarried
She owns no property and has owned
none since Isaac Johnson died and
has not since then had any income
except from her own manual labor.
I had known Isaac Johnson
intimately but casually as
an acquaintance of my father
for several years before he
married this claimant. He was
never married before he married
this claimant that I ever knew
or heard of. I never heard that
he ever lived with a woman
named Mary Mason before
he married claimant.
I am not related to claimant
and have no interest in this
claim. I have understood
your questions and my
answers are accurately
recorded in this deposition
which has been read over to me.
