

heard that he had ever lived with any
 woman before he died - I was my brother
 Nathan who told me about it I have never
 heard it before - I know nothing about the
 woman at all and certainly never heard
 from any source that my brother ever contracted
 a marriage before he married Charlotte if
 he had ever had a prior marriage I think
 certainly I would have known or heard of
 it - I never knew Charlotte this claimant
 and until after she married my said
 brother and knew nothing about her
 prior marital history - I was not
 present when she married my said
 brother - I know though that they lived
 together as man and wife till he
 died without separation or divorce
 and she has to my knowledge
 remarried - My said brother owned
 no property when he died and
 claimant has owned none and
 has had no income from any
 source except from her own
 manual labor since he died.
 I have no interest in this claim.
 I have understood your
 questions and my answers
 are correctly recorded in
 this deposition which has been
 read over to me -
