

to see me and she said that Isaac
 had been her "friend" for some
 time but she never claimed
 him or claimed her time that
 Isaac was ever married to her
 or that he was bound to her by
 any legal tie. I asked Isaac
 about her before I married him
 and Isaac told me that he was
 never married to her or to anyone
 else. She never attempted to make
 any claim on him in any way
 though she continued to live in
 Baltimore until four or five
 years ago when I heard she
 died at Bryn Mawr Asylum. She never
 did go by his name or claim him
 in any way. In regard to John Wilson
 I will say you misunderstood me when
 you put me down as saying that I ever
 lived in the same house with him before I
 married Isaac Johnson. I meant to say
 that I just kept company with him off and on
 I was at work and I had him for my man
 for a while but I never did live with him
 like a woman lives with a husband
 never went by his name never claimed
 him as husband and was never
 regarded as his wife by anyone.
 I have understood your questions
 and my answers are correctly
 recorded in this deposition which
 has been read over to me. I have
 no middle initial L. in my name.
