

only gave him temporary relief. Yes, my first treatment was in July 1882 and I think I treated him last about 12 months ago. No so I can't remember of ever treating him for any disease or ailment other than stated. No, I can't say as to his physical condition previous to my first treatment, Yes, he has at a number of times been confined to his bed, but I can't give dates or say as to ~~how~~ how long he would be so confined or as to his ability to do work.

I have understood
your questions and my answers
have been properly recorded
