DEPARTMENT OF THE INTERIOR,
BUREAU OF PENSIONS,

So. Dist.

WASHINGTON, D. C., Sept. 8, 1897.

Mr. Charles Hanback,
Special Examiner,
Baltimore, Md.

Sir:-

Herewith are returned to you the papers in claim Ctf. No. 564,793, Nathan Johnson, Pvt. Co. D, 7th U. S. Col. Inf., together with your report therein, which is not considered satisfactory.

The claim was referred for special examination to determine origin of injury of back in service and line of duty, and was sent to you for further examination on the point at issue among the comrades named on the list who reside in the territory operated by you.

It appears from a reference to the list that there were four comrades named thereon as residing in your district who had not been interviewed when the claim was sent to you. Of these you took the deposition of Lemuel S. Chase, and state in your summary that Gilbert Adams has removed to Washington City, recommending further examination there for his testimony; and you make no mention whatever of the other two, Enolds Money of Tunis Mills,
