Dear Sir:-

I would like to know
if my father John W. Davis
is not due to an increase of
pension as he has been very
sick now for over a year
and I had to bring him
with me from Bellingore
trying to do the very best. I
can for him with his small
help and my husband's
trying to give him as much
comfort as I am able
He is 77 years old
born 1839
