

gave medicine to me but I don't know what for. I first went to hospital at City Point Va and from there was sent to Phila Pa. I don't know what I was treated for in either of those hospitals but I know I was very bad off. I can't tell you what was the matter with me while in hospital. I only know I was pretty near gone - I couldn't eat any thing and fell away to nothing. I can't now remember any other symptom -

Q Did you have any rheumatism while in hospital. A. I had those same pains in my shoulders and limbs that I had in front of Petersburg. I don't know any other disease that I had. I can't tell you when I had the other disabilities I have named in service. To tell you the truth I have been troubled in that way mostly since I came out of the army. I never felt it so much in the army. The vertigo of my head has come on me since I came out of the army. I did not feel any of the effect of it or any symptom of that kind in service. The same thing is true in regard to my hearing and sight. I did not have any thing the matter with either my sight or hearing in service.

I first felt vertigo in my head a year or so after I came out of the army. However I felt a shortness of breath when I was in front of Petersburg. I have had a pain around my heart for some time I can't say how long. I can't tell you other
