WASHINGTON, June 18, 1897.

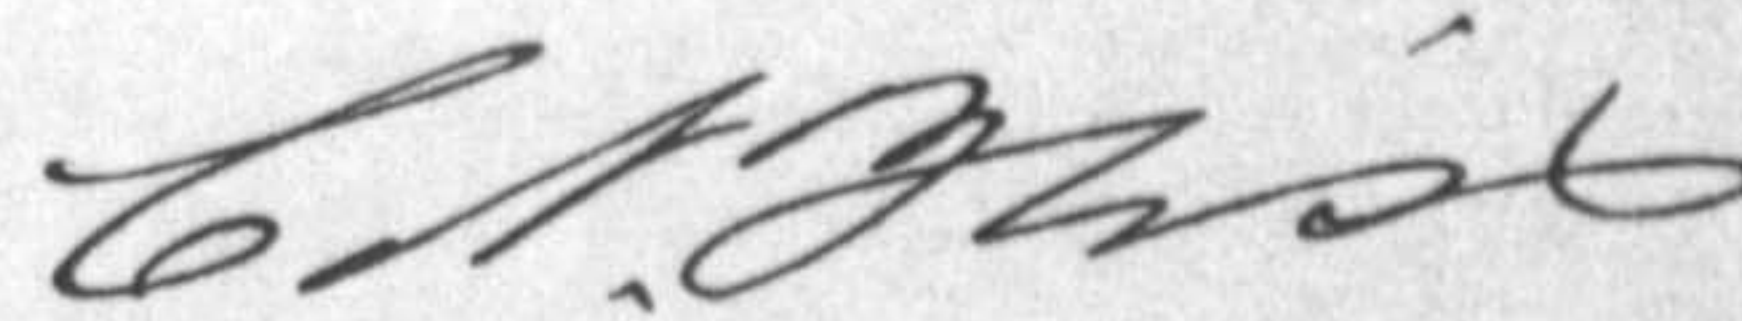

The Commissioner of Pensions.

Sir:

I have received your letter of the 14th instant, enclosing accrued pension certificate numbered 601,540, issued August 8, 1895, in the case of Nathan Wyatt, and recommending that it be canceled for the reason that the widow died prior to the issuance of said certificate.

The certificate has been canceled by endorsement thereon, and is herewith returned.

Very, respectfully,
