Nov. 11, 1914.

Mrs. Lizzie Meyers,
#1715 McCubben Street,
Baltimore, Maryland.

Madam:-

Replying to your letter of the 3rd instant, in the case of Francis J. Myers, certificate number 123,952, you are informed that having married the soldier since June 27, 1890, and his death apparently not being a result of his military service, you would have no pensionable status under existing laws. The only pension to which you may have title is that which has accrued from the date to which payment was last made to the date of the soldier's death, inclusive, ~~and a blank form whereon~~ to present a claim therefor as widow is herewith enclosed.

Very respectfully,

[Signature]
Commissioner.
