citizen of the Town of 1626 Mulliken St, County of Baltimore, State of

Maryland, well known to me to be reputable and entitled to credit, and who,

being duly sworn, declare in relation to aforesaid case, as follows:

That I have been personally well acquainted with the claimant, Noah Jackson since the year 1872, have lived neighbors all these years, that I am in a condition to know and do know, that the claimant is a sufferer from Rheumatism and has much difficulty in walking; that from frequent conversations with the claimant I have learned that he contracted Rheumatism while a soldier in the U.S. Army during the War of the Rebellion, and also learned that whilst in the Army, he had a severe stroke of Paralysis, which has very much drawn his face to the right side and that he often complains to me of a numbness on the right side and at times I notice he experiences much difficulty in talking.

I know the above facts from my intimate acquaintance and association with the said Noah Jackson from the year 1872 to the present time 1891
