

in the Squires office.

I don't know the name of that Squire whose office Miss went into.

Now I have here a paper which says you were sworn by the Squire whose office is a few doors south of the Cor of St-Paul & Saratoga St. Are you certain you were sworn

Mr. S. I was not sworn as I know of I am certain I did not go into but the one office that day and that was at Cor of Saratoga & St-Paul St. and then there was no man called in to swear me. No man there had anything to say to me. It was a lady attended to the business (she is in handwriting of Mrs. Bessie B. Wood) (M)

By claimant: don't you remember that the time Elsie Wright and you went up with me was not the time you gave evidence and you and Elsie waited outside while I went in and asked Mrs. Bessie if she had heard anything

Yes I remember that time but I wasn't in the office that time at all. The time I went in the office and the lady attended to the business is the only time I was there and I don't remember being sworn by no Squire or of going into any other office that day.

I have heard the deposition read My answers are correctly recorded
