

John Duncan and Alice Stewart at the residence of Rev Fry. some 14 yrs ago  
Yes sir. The preacher's daughter was their and my wife was their and I believe some more women. but I do not remember who.

Did they live together as man & wife till John died.

I do not know sir I did not see much of them after 1885. I would be another part of town. They lived in same house with me after they were married.

Has Alice married or lived as wife with any man since John Duncan's death.

Indeed I could not tell you sir. I haven't seen her but once. That was the 5th evening - for about 4 years - Yes I was

at Mrs Lloyd's. Alice was not there that day. I believe Lloyd was there and the lady.

That was for Lloyd & George. which are the business. I took them about being present at the marriage. I do not remember whether I was there.

I do not remember whether they had a book then or not. After it was written off I remember saw I had to take it to a quires office nearby &

was sworn and had to pay 10/- and I brought the paper back to Mr Lloyd and made him pay me the 10/- back. I am not related to

Claminal and have no interest in the claim. I have heard this deposition read the answers are correctly rendered.

Sworn to and subscribed before me this 25 day of June 1874, and I certify that the contents were fully made known to deponent before signing.
