

to walk with a cane. The Claimant has no income, & he is compelled to go to the Free Dispensaries for treatment & for years past the Claimant has been supported by his friends, Claimant at times works at light jobbing, going on errands & his income from same would not support him, and from the time of his discharge to the present date the Claimant has been totally unable to perform manual labor of any kind by reason of his diseases and disabilities as herein mentioned. Claimant Richard Dayrick prior to his enlistment in the U. S. Army was a sound man in every respect especially free from any diseases or disabilities whatsoever, Claimant's diseases are chronic and incurable. Affiant knows these facts from his own personal knowledge & observation conversing with the Claimant prior to enlistment almost daily & since discharge to the present date almost daily and frequently visited his home during all these years testified to herein. He further declares that he has no interest in the above claim.
