To Whom it may Concern.

This is to certify that the late Matthias Price, was treated by me on an average ~~for~~ of once every two weeks, during a period of 6 mos previous to his death. (this period extending from latter part of February to August.) The exact dates of visits I have no record, but I made an average ~~of~~ of 2 visits a month and sent bill to his daughter for same which she has not been able to pay as yet. Total bill 12 visits @ \$2.00 per visit \$24.00 now due.

The above named pensioner died on Aug 31st while I was away on my vacation and for that reason a coroner was called in to fill death certificate.

During my period of treatment this patient was practically an invalid and suffering from Chronic Interstitial Nephritis, Hypertension, incontinence of urine and general senile debility.

Sworn to this 22nd day of Jan, 1927

Oliver S. Stanley
Notary Public.

Very truly

RJ Young
