I, 9 U.S. Col. Inf.

November 19, 1920.

Mr. Mathias Price
#229 North Dallas Street
Baltimore, Maryland

Sir:-

In your above cited claim for increase under section 2, act of May 1, 1920, filed Sept. 17, 1920, a medical examination is not warranted as the evidence on file does not show that you require the regular personal aid and attendance of another person.

Your claim is therefore held in abeyance and if at any time you should file additional evidence tending to show that by reason of age and physical or mental disabilities you have become helpless or blind, or so nearly helpless or blind, as to require the regular personal aid and attendance of another person, the claim will be given further consideration.

Very respectfully

F D Byington
