

has, for several winters, gone in about Christmas and has laid up with Rheum.

The first five years after I moved to town I regarded him as a good man and did not know that he was Rheumatic.

No. I did not know that he suffered with any other disease.

No. I do not know that he is now crippled. His chief complaint was the Rheum of his back.

Yes. I made an affd. for the Plaintiff.
(affd's read.)

No Sir. I cannot recall that he was a sufferer with Rheum, more than about 10 yrs ago.

He is now in a feeble condition of health.

No Sir. Your questions are understood & my answers are carefully recorded.
