EDGAR T. GADDIS

ATTORNEY-AT-LAW,

WASHINGTON, D. C.

This form may be used by the widow of a Union soldier or sailor of the Civil War, 1861-1865, who does not receive pension, notwithstanding that she may have filed a claim heretofore.

Title to widow's pension is not affected if the widow possesses property, because the Act of April 19, 1908, as it relates to the Widows of Union soldiers and sailors is not a dependent law; nor is it material if the death of the husband cannot be established due to the military service.

The Act of April 19, 1908, provides that those widows hereafter to be placed on the pension roll shall receive \$12 a month and \$2 a month additional for each child of the soldier or sailor who may be under sixteen years of age.

Upon the allowance of the widow's claim for pension, the Commissioner of Pensions directs the disbursing clerk who makes payment of the pension allowed to pay the lawful fee to the attorney of record.

This Declaration when executed should be mailed to Edgar T. Gaddis, Attorney-at-Law, Washington, D. C., who will present to the Bureau of Pensions and thereupon instruct the widow how to establish title to pension.
