30 then I have received one typewritten letter from him, dated July
31 8th. At your suggestion I have preserved and handed over to you
32 these various letters and the account he sent me.

33 I identify the letters you show me, dated respectively May 22,
34 1911, June 13th, 1911, and July 8th, 1911, together with the account
35 in pencil dated June 13th, 1911, as having come in envelopes which
36 I have every reason to believe were addressed to me by Charles L.
37 Skinner. The handwriting is the same as that of a number of let-
38 ters which he has sent me at various times previously, and is
39 undoubtedly his own.

40 I have not paid, nor have I promised to pay, any fee to Charles
41 L. Skinner or any one else for services in my pension claim. Not-
42 withstanding his threats, I do not propose to pay Skinner any fee.

43 I have heard you read the foregoing; have understood your ques-
44 tions, and my answers are correctly recorded.
