She never owned any property or other valuable thing, but had to work hard to support herself and children.

I do not know what military service Charlie Anderson rendered, but I often heard him talk about having been in the army.

My sister, Amelia Mears, applied for a pension on account of Charlie, but never could get it thru. Her lawyer was named Skinner, and he told my mother, Angeline, that he (Skinner) was to get half of the pension money due my sister when it came; so my mother told me .That was only a few months before my mother died; that was after Amelia was dead, and my mother was trying to get the money that was due Amelia and her children. I never saw Skinner myself.

I am not pecuniarily interested in this claim. I have heard yu you read the foregoing; have understood your questions, and my answers are correctly recorded.
