

28 of a mistress or housekeeper. I saw her every day at Cape  
 29 May and she slept with me at night.  
 30 I recollect the man Jackson who used to live at mothers  
 31 house in Druid Hill avenue in Baltimore and then moved  
 32 with us to Harford avenue. He rented rooms from mother  
 33 and I saw him pay her for the rooms though I did not de-  
 34 tect the amount. Jackson left us because mother had him  
 35 locked up and I do not know what the trouble was except  
 36 that Jackson tried to rule the house and she did not like  
 37 it. I slept with mother when Jackson rented a room at her  
 38 house and I know that she never cohabited with Jackson.  
 39 Jackson was not with us one year altogether. He rented a  
 40 room at mothers house some time after the death of father  
 41 and before his death as mother was sickly and compelled  
 42 to rent rooms or doing something to get a living.  
 43 I do not know what became of Mr Jackson, and I do not know  
 44 his christian name. I have not seen him since he left my  
 45 mothers house. The officers took him out of our house one  
 46 afternoon and I have not seen him since. Am not able to  
 47 give the date. We moved from Druid Hill to Harford avenue  
 48 soon after the death of my father and we had not been in  
 49 Harford very long when mother reported Jackson and had him  
 50 locked up. I do not know why my father left my mother.  
 51 I have a natural interest in this claim and of course will  
 52 receive some benefit if it is allowed as I make my home  
 53 with my mother Mary E. Cornish. She comes in from her work  
 54 in Roland Park now every night and in cold weather she comes  
 55 in every Thursday night. I have heard the foregoing depo-  
 56 sition read and it is correct. "ing" erased in line 43  
 57 before deposition was signed.
