Dec. 10th '84

Mr. Ben. Adams came under my
 professional care about '74 or '75
 suffering with Rheumatism and
 its results - and I have attended
 him from time to time ever
 since. His heart has become
 somewhat affected from the
 long continued trouble - and
 he is in consequence after
 unable to work -

These troubles were the result
 (so far as I can learn) of cold
 and exposure while in the
 army.

Subscribed and sworn to before me this 3^d day of January
