

EXAMINING SURGEON'S CERTIFICATE

IN THE CASE OF AN APPLICANT FOR INCREASE OF PENSION.

No. of Certificate, 194780

State: Maryland County: Baltimore Post Office: May 18th, 1882

It is hereby certified That Benjamin Adams formerly a private of Captain C Company, in the 30 Regiment of U S C T, in the war of 1861-65 who is now paid at Washington Agency at the rate of 6 dollars per month, on account, as he states, of Double Inguinal Hernia and general debility

while in the line of duty in the military service of the United States, on or about the day of 18, at a place called, in the State or Territory of

Here specify the particular disease or injury.

is still suffering in consequence of said Hernia and Debility

The disability originates entirely from the injury or disease on account of which he was originally pensioned, as follows:

Height, 5'9; weight, 150; complexion, black age, 48; respiration, 16; pulse, 76

Here state fully and accurately the character of the pensioner's disability, and how he is at present affected thereby; also, state whether the disability is permanent in its present degree, and whether it has been in any degree caused or protracted by vicious habits.

Double Inguinal Hernia: Carefully examined: Made to walk around the building: No hernia found on either side: General Debility: Not found: Alleges he had hernia of right side seven years ago (No hernia)

We find his disability, as described above, to be equal to, and entitling him to (Nothing)

Examining Surgeon.

The Surgeon will forward his report of examination direct to the Pension Office whether the pensioner is thought to be entitled to increase or not.
