Claim No. 328383 Of Charles Grandison Co. B 39 Reg't: USG

On this day and date below written, personally appeared the affiant whose signature is hereto affixed and who being duly sworn according to law testified as follows:

"My name is *Sam H Whittington* . I am *75* years old, and

I reside in Baltimore, Md. at No. *921 Myrtle Av* Street.

I knew the soldier Charles Grandison from his boyhood. He was a sound hearty young man when he went into the army but that from 1866 up to his death he suffered greatly from rheumatism and some affection which worked on him like asthma having great shortness of breath. I believe he came out of the army in 1865 but I did not see him for about a year after that when I met him I found him afflicted as I have described. He was unfit for work from rheumatism and shortness of breath and was never well again up to his death always plagued with rheumatism but sometimes worse than others.

Witnesses to signature of Affiant.
