

28 I was just a poor beggar not grown at the
 29 time of her death. Oh yes Mary Furness
 30 Adams died before brother married Sarah
 31 Hudson. I see her Sarah and some
 32 people call her Follie Hudson and I
 33 knew her several years before she was
 34 married to John Adams and know
 35 that he was her first husband.
 36 Follie had a child by a white man
 37 when young but I don't know whether
 38 it lived. She had lived with no
 39 man as his housekeeper or mistress
 40 before brother John was married
 41 to her. After their marriage they lived
 42 here awhile and next at Snow Hill
 43 and Balltown and I went to see them
 44 occasionally at Snow Hill and twice
 45 at Balltown and only lost track of them
 46 after they moved to Philadelphia.
 47 I had no interest in this claim
 48 for pension and did not know my
 49 brother John Adams was dead.
 50 Your questions were understood and
 51 my answers are recorded correctly
 52 in this deposition which I have
 53 read and read. My age is probably
 54 49 years.
