Sir:

In response to your letter of the 12th instant, your file GB, in the case of Annie L. Perkins, certificate No. 750,031, who was committed to the Atlantic County Insane Asylum, I have to advise you that the law requires payment to the legally appointed guardian in all cases where a pensioner has been committed to an insane institution.

I am enclosing a form on which a certificate of the appointment of a guardian can be presented to this bureau. Upon receipt of that certificate the necessary voucher for the guardian to execute preliminary to payment will be promptly forwarded.

Respectfully,

Earl D. Church
Commissioner
