WASHINGTON

June 11, 1917.

W.O. 556,156
Alice, widow of
Adam Barker,
Co. F, 30th U.S.C.Inf.

The Chief

Special Examination Division.

This claimant lived with the soldier for many years prior to their marriage, and he has been dead twenty-five years. In view of these facts a special examination is desired to ascertain whether she has remarried since his death or her conduct has been such as would otherwise work a forfeiture of title to pension as his widow.

A. A. Spinnaway
Chief Board of Review.

Examination approved:

E. C. Dorman
Acting Commissioner.
