Janey. 25/94

Mrs. C. A. Halley,
Dear Sir:

I cannot
remember the baptism of the
child Parker. I might be able
to recall it, if some of the
circumstances were mentioned.

Do not wonder that date of
birth is not marked in register
unless a colored child is
baptized shortly after birth,
the date of birth is often not
given. The colored people as
a rule pay little or no attention
