

Christmas, and my husband returned home January 1st. In the letter of Sept 27, 1883, written by my husband, he refers to Elijah fighting his little brother. ~~Adam~~ Elijah was very forward. Joe was then several months old. As I have said Jacob was very backward. I am in great need of my pension and hope there will be no delay in granting it. If the age of my children can not be definitely determined, I wish that they be approximated, so that there shall be no further delay. I am correctly reported.
