SIR:

In reply to your request I have to state that I served in same Company with the Soldier Richard Dutton. I was a Sarge in that Company. While we were at Fort Clinch Va and engaged in building Ordnance Roads, the Soldier came into Camp with the fatigues men and reported that he had sprained his groin and was ruptured. He was sent to Regt Hospital, and when he came to the Company he was ~~not~~ complaining any and until he was discharged.

Very respectfully,
Witness: S. Davis Warfield, Postmaster,
