

Page 9 performed the ceremony. The minister went to the C. House - he said - and gave us a certificate. I have never had but one wife. I have four children, Laura, 35 yrs. old and married.

Isabella, 20 yrs. old and married.

Elenora, 19 yrs. old and lives at home -

James, 23 " " and married.

I have no other living children -

My first physician was Dr. Rider. He is dead. Treated me for chills & fever -

I never had any other physician for myself until about 3 years ago. I called in Dr. Reid - on Fremont Ave. He called 2 or 3 times & treated me for chills & fever - my back -

Dr. Wallaza in Anne Arundel Co., in Brooklyn treated me once for my back, But he has left here and gone up North somewhere -

These are my only physicians -

I have worked in brick yards and oyster houses since the war but now I can't do much at either of them. I still suffer with each disability which I have named - ^{yes, sometimes have chills & fever} My disabilities are not due to vicious habits. I think I lose nearly $\frac{1}{2}$ my time fully one-third anyhow of my time on account of my disabilities.

I applied at Mr. Sloyds for pension the year the pension bill was passed. I applied twice once under the new & once under the old law. The first time me & Jas. Dorsey & Chas. Sugars went to-gather. I signed my paper & so did these two men. I was sworn and so were my witnesses. We were not sworn in Sloyds office, but in another. Don't recollect being in the Court House that day. The next application I made I did not take anyone with me but went alone. A young man in Mr. Sloyds office wrote my paper. I signed it I think and I was sworn in Sloyds office - not the man
